SUMMARY

I am a QA Engineer with 7+ months of experience in manual testing web and mobile applications. Have experience working in a large international company. Help as a volunteer to test products. Looking for a full-time position as a Junior QA Engineer.

SKILLS

- Test analysis/Test design
- Test documentation
- Functional testing
- Regression testing
- API testing
- SQL, DataGrip
- Postman, Charles Proxy
- Swagger, apiDoc
- Jira, Yandex Tracker, Git
- Figma, Miro
- English. Russian
- Curious and creative

EXPERIENCE

08/2022 - 11/2022   **QA Engineer Intern at Yandex.Maps group | Yandex.Technologies LLC**

- Conducted functional, GUI, regression, database, cross browser testing, API testing, research testing.
- Created and supported test cases, checklists, bug reports.
- Closely communicated with testers, developers, product-managers.

Wrote the documentation of the backend part of the project from the beginning.
1 month before the end of the internship I received an offer for a position as a QA Engineer.
Recommendation letter is attached.

05/2022 - 08/2022   **Assessor-tester | Yandex.Technologies LLC**

- Tested mobile (Android, iOS) and web applications: Yandex Mail, Yandex Music, Yandex Maps and others.
- Used DevTools to detect errors, worked with logs, Charles for manual and automatic substitution of requests and responses (Breakpoints, Rewrite, Map Local).

05/2022 - 11/2022   **QA Engineer (volunteer)| Clean Games (eco-project)**

- Tested mobile (iOS) and web application.
- Created test documentation (test cases and bug reports).
- Worked in a team with other testers, a team leader and an owner of the product.

Compiled documentation with suggestions/improvements of the project that were implemented.
Letter of thanks.

EDUCATION

2021/2022   **Yandex Practicum, Russia / QA Engineer Professional Training Course**

2011/2015
Bachelor's Degree   **Ural State University of Economics, Russia / Advertising in trade**

HOBBIES AND INTERESTS

Pottery, floristics.
Train NoseWork with dogs in my free time – I teach them to search scents like cinnamon, orange and cloves.
